GREAT DIVIDE WATERFALL
The historic High Level Bridge is an 8,000 ton steel monument situated together by 1.4 million rivets.

Completed in 1913, the bridge has been used as a railway, tramway, roadway, and sidewalk across the North Saskatchewan River. It is almost a half mile (755 metres) in length and the height from water level to the bottom of the rails is 53 metres.

In 1980, a man-made waterfall was turned on for Alberta's 75th Anniversary. The cascade from the High Level Bridge is best viewed downstream on the southside of the river. Tentative operating dates for the Great Divide Waterfall are summer holiday weekends (May to September) weather permitting. Phone Edmonton Tourism at 988-5455 for operating times.
